

Serie A (Italien)

Beitrag von „rekordabsteiger“ vom 16. Juli 2012, 16:12

<http://swissramble.blogspot.ch.../milan-warning-signs.html>

A really nice discussion of Milan's (and really the entire Italian league's) dire financial situation and the impact financial fair play regulations may have on football in general/clubs that are being kept afloat by the contributions of outside investors.
