Beim Spiel Udinese in Genua: 1 (!) Auswärtsfan!
(normal haben sie immer 50!)

vor 2 Monaten hatte Livorno auch 1 (!) Auswärtsfan in Süditalien/Sizilien.

Man with no crowd

This week, Arrigo Brovedani, a 37-year old follower of udinese, ..., became a media sensation for being the only supporter. Udinese, Mr. Brovedani explained, barely attracts more than about 50 supporters when they play away...

..

Yet uncomfortable questions linger behind the sensation. Where were all the other fans??

..

Football clubs may not care much about the disappearance of away fans. After all, hefty TV revenues more than make up for the lost ticket sales. But without a lively crowd in the stadium, people at home are less likely to tune in. The unique atmosphere of the game depends as much on the crowds as the stars on the pitch....
