

## José Campaña (#20)

There's speculation going on here about what could have happened. No one really knows why he isn't playing anymore- he is not even nominated to the 18-players squad. Some argue that he could have expressed himself disappointed after the coach Verbeek had been sacked. But I suppose that you won't get the reason by asking here in that board.

Hello,

I am a Crystal Palace fan. Why is Jose Campana not in your team?

Thanks.
