"I am happy to join with you today in what will go down in history as the greatest demonstration for football in the history of our sport club. [...]"

I have a dream that my four little U-Nationalspieler will one day live in a Bundesliga where they will not be judged by the stars of their NLZ but by the Ausstiegsklausel of their contract. [...]"

Let football ring from every Neubau stadium in Hannover and Rastplatz near the autobahn. From every Hörgeräte shop in Germany, let football ring.

And when this happens, and when we allow football to ring, when we let it ring from Elbe to Isar, from Bundesliga and Pokal, we will be able to speed up that day when all players' agents, black men and white men, Jews and gentiles, Protestants and Catholics, will be able to join hands and sing in the words of the old capitalist spiritual, "Fee at last! Fee at last! Thanks, good Bader, here's your fee at last!"
