Zitat

“You know, I’ve had conversations with him,” Sherman said to Michael Robinson of NFL Media. “Obviously he knows mistakes have happened in the past and he’s trying to move past it. He’s doing his best to deal with the situation the best he can. Basically, he’s an incredible young man. We’re all human beings and I think that’s what society forgets — that we all make mistakes. These young men are under a microscope that most people don’t have to deal with. And, obviously, he’s handling it the best he can, but I’m trying to do my part to just be a good teammate and be there for him in any way I can. And I think he’s going to be fine.”

Guter Mann der Sherman 👍
