Etz is was neuschneid:

Zitat

his exit ends up hampering the desire of Matheus Pereira, who has several clubs interested in his loan and intended to leave.

Nuremberg (Germany), AEK of Athens (Greece) and two French clubs are trying to convince SAD to let out the talented extreme but the truth is that the Lion officials continue to want to keep the player on campus, making him see have the opportunity to show the quality that they have long recognized.
