

9. Spieltag: SV Darmstadt 98 - 1. FC Nürnberg (Analyse)

Beitrag von „Anthony409“ vom 17. September 2022, 14:58

That was absolutely pathetic. We had no attacking threat whatsoever. I don't even think Darmstadt players will be sweating after that "performance". I feel sorry for those supporters/ultras who traveled today. Have a good weekend to all of you.

(Sorry about my messages not being in German. I don't know German, but I'm learning.)
