Das geile ist ja: irgendwie passt der Text auch zu Tuchel.

"I am white, I am a fucking bum

I do live in a trailer with my mom

My boy Future is an Uncle Tom

I do got a dumb friend named Cheddar Bob

Who shoots himself in his leg with his own gun

I did get jumped by all six of you chumps

And Wink did fuck my girl

I'm still standin' here screaming, "Fuck the Free "World!"
